## DAY for LIFE June 20<sup>th</sup>

We celebrate Day for Life on Sunday 20th June 2021. This day, inaugurated by Saint John Paul II, presents an opportunity to pray for the gift of life from conception to natural death, to raise awareness of the precious gift of life, and to support the work of protecting life in its most vulnerable stages through the annual collection. This assists pro-life organisations who raise awareness, engage in parliamentary work and pastoral outreach. The fragility of life and the reality of death have been brought into sharp focus during the Covid-19 pandemic. In the UK alone, more than 126,000 people have died from Covid-19. Yet in the face of such suffering and death,

we have also witnessed the extraordinary dedication of healthcare professionals and their loving care for the sick and dying. We too have each made sacrifices for the greater good during this pandemic. These acts of heroic love are a powerful testimony to the fundamental dignity of the human person and to the respect owed to each life, particularly through proper care and love in the last moments of life. Against this backdrop of loving care, we are now faced with the very real threat of the legalisation of 'assisted suicide' in our country. It is not a question of 'if' this challenge will come; it is now a question of 'when?' There is now a Private Members Bill in the House of Lords on so-called 'Assisted Dying' and it is only a matter of time before the issue is back in the House of Commons. This year's theme for Day for Life focuses on assisted suicide and the respect owed to life. The online resources are produced to inform Catholics about this threat to life and to share with people our response to such a threat: a true compassion as the just response to the immense value of the human person.

## Security

Thank you very much to all those who have donated so far, we are still in urgent need for funds in order to be able to improve the fencing right around the property perimeters and to update the secure entrance to the car-park. Canon Michael is having to ask people to vacate the steps of the church on an almost daily, sometimes twice or thrice daily basis, he is met with anti-social, sometimes confrontational behaviour and the continued littering to contend with, we owe it to our Parish Priest to be able to come and go around the church and his home grounds without feeling threatened.
