BOOK CLUB

Apologies for incorrect day given last week!! Thank you to all who attended, it was a great success. Next meeting is **WEDNESDAY 10th NOVEMBER** at 7.00pm. The book we will be discussing is **DOMINION** by Tom Holland, his book seeks to show what the Western secular world owes to Christianity and how Christianity's decline in the west may hasten the loss of values which we take for granted.

Introducing St Joseph's Library

St Joseph's is soon to have a library for Adults. This will be situated in the church porch and will contain several books of interest to Catholic readers, both fiction and non-fiction. The books will be available for anyone to borrow, but we ask that you please follow a few simple rules to ensure the books are maintained in a decent condition, and that they remain available to all.

- The Books will be marked as belonging to St Joseph's and a record kept
- You may borrow a book for up to 2 weeks
- You must sign and date the record book when you take out and return the book
- On returning the book please place it carefully in the box marked 'Returned Books'
- Books will be out of circulation for a few days in order for them to be checked before being returned to the shelves
- Some of the books are fairly old and have been well used and marked please do not add any marks yourself
- If, on borrowing a book you find it to be damaged in any way please record this in the record book
- If you have any suitable books with which you have finished and feel someone else may enjoy reading please donate them to the library by placing them in the 'donated books' box

Clothes:

Numerous bags of clothing have been left by the front door of the church. We have no outlet for second-hand clothes and they have been taken to the Salvation Army. While appreciating the intention to be helpful, this creates extra work and it would be easier if you would take any clothes you wish to donate to a charity shop or the Salvation Army's collection point in the Asda carpark on the Old Fold.

CAFOD is responding to significant crises across the world this week. They are working with local Church organisations in Haiti to deliver emergency aid to people affected by the catastrophic earthquake and tropical storm. In the tragic situation in Afghanistan, they are working to ensure the safety of their local partners and their communities. They are supporting local aid workers to deliver urgent food and water supplies to hundreds of thousands of people facing extreme hunger in Tigray in Ethiopia, South Sudan and northeast Nigeria. You can read more about how everyone can express solidarity with our sisters and brothers affected by these emergencies on the CAFOD website: <https://cafod.org.uk/News/Emergencies-news>. Your compassion, generosity and prayers have helped us all to stand together and enable us to continue to support communities

Pope's Intention for the Month of September

COVID GUIDANCE Updated

The following has been issued by Bishop Robert following guidance given by the Bishop's Conference, full details can be found at:-

[CBCEW-COVID-Step-4-Guidance-150721b.pdf](#)

[COVID-19: guidance for the safe use of places of worship - GOV.UK \(www.gov.uk\)](#)

- **Hand sanitiser** - to continue to be used on entering and leaving church and before liturgies.
- **Face coverings** – to be used by all attending Mass. Priests in the sanctuary, providing they are sufficiently distant (2m or more) from the congregation, do not need to wear a face covering except when distributing Holy Communion.
- **Social Distancing and Capacity of Churches** -reduced church capacities based on a minimum of 1M spacing between households should continue.
- **Cleaning** – General cleaning to a good standard, using commonly available cleaning fluids and detergents, with attention to frequent touch points is the standard to continue.
 - a) Cleaning high frequency touch points in buildings after each act of worship.
 - b) Thoroughly cleaning the church once a week
- **Congregational Singing** – Indoor congregational singing will be permitted. The use of cantor groups and other choirs is also permitted, singing should be phased in gently as part of worship and face coverings should be worn by members of the congregation whilst singing together, until infection levels reduce.
- **Hymn books and Mass cards** – can be reintroduced
- **Test, Track and Trace** - NHS Test, Track and Trace system is no longer in operation and as such the use of QR codes is no longer necessary.
- **One-way systems and movement of people** - It is no longer necessary to have one-way systems or other restrictions on movement in churches.

As Covid cases remain high in our region I would like to continue with good ventilation and ask that the doors to church remain open.
